

Eligibility Requirements

To receive the New Consultant referral bonus, your referral must be placed on an engagement of at least 30 days (160 hours) and cannot have previously been employed by Taos. To receive the New Client referral bonus, your referral must be an individual in a position of authority who works for a company Taos has previously done business with but who has never directly worked with Taos. The resulting engagement must be a minimum of 30 days (160 hours). If the Taos consultant placed on the engagement is replaced within the first 30 days by another Taos consultant and the engagement reaches 30 days (160 hours), the referrer is still eligible to receive the referral bonus. You will not be eligible to receive the New Business Referral Bonus if Taos is already aware of, or in the process of pursuing, your referred business opportunity. The referral will be reviewed and bonus eligibility will be determined on a case by case basis.
